Thank You For Reading

Each year, the Borough of South River strives to provide improved services to residents while keeping the cost to residents as low as possible. This calendar serves as a resource informing residents of many of those services along with knowledge of garbage, recycling, and other important pickup schedules.

Last year we began the process of moving many of these resources online, a process that we will continue this year. We call this suite of services DO•it. This has allowed residents to report concerns to various departments, inform public works of potholes, view an interactive map, and provide tips to the police. This year, we are beginning to add online application payment and submission, a resource for more friendly garbage and recycling notifications, and further streamlining our existing services.

We are very focused on building a dialogue with our residents. We have launched a Borough Facebook page, offer the Monthly Buzz that community organizations can now submit to and are continuing to find new ways for residents to provide feedback that we act upon. We look forward to a bright and successful 2018 and hope to continue making our community a friendlier South River.
2018 Borough Holidays

The Borough Offices will be closed for the following holidays. In addition, there will be no garbage collection, yard waste, or bulk pickups on these days.

New Year’s Day Monday, January 1st
Presidents’ Day Monday, February 19th
Good Friday Friday, March 30th
Memorial Day Monday, May 28th
Independence Day Wednesday, July 4th
Labor Day Monday, September 3rd
Columbus Day Monday, October 8th
Veterans’ Day Monday, November 12th
Thanksgiving Day Thursday, November 22nd
Day Following Friday, November 23rd
Christmas Day Tuesday, December 25th

Special Events

Throughout the year, the Borough organizes a number of events and programs in an effort to improve the lives of residents. Below are the already scheduled events for 2018.

New Year’s Day Monday, January 1st
Presidents’ Day Monday, February 19th
Good Friday Friday, March 30th
Memorial Day Monday, May 28th
Independence Day Wednesday, July 4th
Labor Day Monday, September 3rd
Columbus Day Monday, October 8th
Veterans’ Day Monday, November 12th
Thanksgiving Day Thursday, November 22nd
Day Following Friday, November 23rd
Christmas Day Tuesday, December 25th

Keeping Up to Date

There are a variety of ways to stay up to date and get notifications regarding Borough functions, operations, and events. Please sign up for NIXLE alerts through the Borough website, follow the Borough on Facebook, read the Monthly Buzz in your electric bill, or tune into South River TV35 from your local cable provider.
**Public Safety**
- Chief of Police
  - Mark Tinitigan
- Fire Chief
  - Charles Matts, III
- Captain of the Rescue Squad
  - Patrick Geraldo
- Office of Emergency Management
  - Arthur Londensky
- Fire Prevention
  - Mike Gallagher

**Borough Professionals**
Certain Borough representatives are appointed by the Mayor with Advise and Consent of the Council.

- Borough Engineer
  - CME Associates
- Borough Attorney
  - Nolan & Associates
- Borough Planner
  - Bignell Planning Consultants
- Borough Auditor
  - Hodulik & Morrison P.A.
- Borough Judge
  - Tina Martins-Cruz

About South River Governance

South River is structured as a “Borough Format” under New Jersey State law. Specifically, the government follows a “weak Mayor/strong Council” Borough Format. What this means is that the Borough Council is empowered with a vast majority of the daily decision-making tasks typically assigned to the legislative and executive branches within the Borough of South River and that the Mayor holds limited executive branch duties. In our format, the Mayor has general appointment power (in many cases with the advise and consent of the Council), generally sets the agendas for Borough Council meetings, and is the presiding officer at these meetings. He also breaks the tie in the case of a deadlocked vote of the Council and is the State representative for the Borough in all official capacities. The six member Council is tasked with all other governance duties.

Borough Council Meetings

Borough Council meetings are held in the Criminal Justice Building at 61 Main Street. Business Meetings start at 7:00 PM and the Regular Meeting starts after the Business Meeting. The dates of the meetings can be found on the calendar. They are typically recorded and broadcast thereafter on TV35.

Meeting Minutes and Agendas

By law, the minutes of the Council meetings are required to be kept and posted after approved by the Council. Agendas are typically posted, as a courtesy, on the Friday before the Council meeting.

To review minutes and agendas, visit: southrivernj.org/agendas/council/
About the Department of Public Works

The Department of Public Works is responsible for maintaining the various functions related to public sanitation and coordinating County recycling, streets and roads, parks maintenance, our sewer infrastructure, the functioning of the electric utility, tree matters, downtown maintenance, and other public buildings and ground upkeep.

General Contact Information

Department of Public Works
9 Ivan Way
South River, NJ 08882
(732) 257-9051
(732) 613-6113 fax

Hours of Operation

Generally, Monday - Friday, 7:00 AM - 3:30 PM
Recycling Dropoff - Every Saturday, 8:00 AM - 1:00 PM

Other Services

Report It

INSTANTLY NOTIFY THE BOROUGH OF CONCERNS
SOUTHRIVERNJ.ORG/REPORTIT

Report concerns big and small. File with us, so we can address it and inform you of when it’s been fixed. If you download the app “GovAlert,” you can even make a report from wherever you take your phone.

Pothole Reporter

FILE YOUR ROAD CONCERN
SOUTHRIVERNJ.ORG/POTHOLES

We care about the quality of our roads. Although we can’t repave every road each year, we have developed a paving plan. In addition, we encourage residents to report potholes on local, county, and state roads so they can be repaired.

Recycle Coach

WASTE SCHEDULES, NOTIFICATIONS, AND MORE AT YOUR FINGERTIPS.
HTTP://SOUTHRIVERNJ.ORG/RECYCLECOACH

Recycle Coach will remind you of trash and recycling schedules and offer other sanitation notifications from your iOS or Android device.

MAP-it

AN INTERACTIVE MAP FOR RESIDENTS
SOUTHRIVERNJ.ORG/MAPIT

A map that provides property details and assists planning services around South River.
**Garbage Collection Procedures**

Collection of general household refuse is once per week per household. Per ordinance, there is an 8 trash bag per household limit. In addition, garbage should not be placed out upon the curb until the evening before the scheduled pickup. The pickup schedule is based upon the street which one lives and can be found within this calendar.

Per ordinance, disposal of recycling must be made within the designated receptacles and shall not be placed intermingled within one’s garbage. Any intermingled recyclables will be left at the curb.

Household waste is all that will be collected. There will be no collection of building/demolition materials of any type, textiles, fixtures, trees, earth/stone, refuse, or industrial waste. Additionally, anything that can be harmful to the health or well-being of persons employed by the Sanitation Department will not be handled at any time.

No bulk items are allowed. You must request a bulk pickup for such items.

Consumer Electronics cannot be disposed of curbside and any such acts shall be a summons-able offense. Please see instructions on electronics disposal to the right.

**Bulk Pickup**

For disposal of larger “bulk” items (furniture, appliances, etc., but not building materials, cement/bricks, electronics, tires or paint) you must schedule an appointment for pickup with the Department of Public Works. Placing such items outside for curbside pickup is forbidden by Borough Code and is subject to summons.

Please call during business hours, Mon. - Fri. to schedule this appointment.

**Bulk pickups: (732) 257-9051**

These pickups are conducted on Fridays. There are limited appointments available each week and are given on a “first-come, first-serve” basis. If we cannot accommodate you on the present week, you will receive the first available slot to be reserved in advance.

To offer fairness to our residents, all households are limited to four (4) complimentary bulk pickups per calendar year.

**Electronics Disposal**

Since the 2011 passage of the Electronics Waste Management Act, residents can no longer dispose of covered electronics devices with regular waste. Placing such items outside for curbside pickup is forbidden by Borough Code and is subject to summons.

South River residents may drop-off such electronics for recycling at:

**Electronics Drop-off: Saturdays, 9AM - 1 PM**

This includes personal computers, laptops, monitors, televisions, consumer electronics devices, and other electronic components that are enclosed and typically sold directly to consumers.
Garbage for all of the following streets will be collected on Tuesday and marked on the calendar as the Blue Route. Recycling is also color coded.

General Info

The Borough provides a curbside recycling collection program in coordination with Middlesex County Improvement Authority for basic recycling items. The curbside recycling program is a simple and efficient way for residents to dispose of recyclables.

Recyclables must be placed at your curbside in appropriate recycling containers prior to 6:00 AM on your recycling days. (Do not use plastic bags.) Because it is a county service, Borough holidays do not effect recycling schedules.

Recycling Questions or Concerns? (800) 488-6242

For information regarding recycling containers, particularly in the case of new home owners, please contact (732) 257-9051.

Single Stream Collection Items

The Borough recycling format is a “single stream” pickup, which means that all items are collected in a single container. Separation happens on the collection side, not the consumer side.

The following items are eligible for single stream:

**Cans, Bottles and Plastic**
- Tin, steel, aluminum soda and beer, canned pet food, soup, and tuna cans
- Glass bottles and jars (including juice, soda, beer, and liquor bottles, mayonnaise, and spaghetti jars.
- Milk and juice jugs, water bottles, laundry detergent, shampoo, and soda bottles.

**Newspaper and Mixed Paper**
- Newspapers, flyers, and junk mail
- Magazines and catalogs
- Paperbacks, phone books, and hardcover books (remove covers)

**Cardboard and Paperboard**
- Pizza, tissue, cereal, shoe, and gift boxes made of corrugated cardboard.
- Layered cardboard with a center that is shaped into ridges, folds, or grooves.

The following items are ineligible for single stream:
- Drinking glasses, window glass, mirrors, Pyrex, light bulbs, plastic toys, plastic packaging, aluminum foil, gardening or garage plastics, polystyrene, or Styrofoam.
**HYDRANT FLUSHING**

**General Information**

During the year fire hydrants are flushed to test the fire flow capacity, to remove sediment and rust from the water, or to maintain proper water particle levels. In South River, we conduct hydrant flushing twice each year, in the spring and autumn.

During hydrant flushing there may be a noticeable decrease in pressure, as well as a discoloration in the water. This is not physically harmful and will not affect the safety of the water for drinking and sanitation purposes. If this occurs, please run your cold water for several minutes to clear your lines. You should also flush your toilets once or twice. The water should run clear within a few minutes.

*We urge you not to do any laundry during these times.*

YARDWASTE INFO

Yard Waste General Info

We collect leaves, brush, grass clippings, and Christmas Trees separately from regular waste/recycling. Regular plant waste is collected throughout the year, on Mondays. Beginning on October 15, the Borough Leaf Program commences. Contractors and landscapers are not permitted to place limbs and/or branches curbside and are directly responsible for removal.

Grass Clippings

Grass clippings are collected curbside every Monday (except holidays). They must be placed curbside in an open, acceptable receptacle no earlier than Sunday evening. Plastic bags are unacceptable.

Brush

Brush is collected curbside every Monday (except holidays). Items must be tied with string or cord in bundles no more than 4 feet in length and 1 foot in height. Brush must be placed curbside no earlier than Sunday evening.

Leaves

Brush is collected curbside every Monday (except holidays). Leaves must be placed curbside, in an open biodegradable bag, or acceptable receptacle no earlier than Sunday evening. Bags containing grass, branches, stones, or other debris will not be accepted. Biodegradable Leaf bags are the preferred method for collecting leaves. Plastic bags are unacceptable.

Curbside Leaf Program (Commencing October 15th)

To accommodate increased leaf refuse from the change of seasons, beginning on October 15, the Department of Public Works will begin its Leaf Program. No grass, brush, or other debris should be mixed with the leaves.

Leaf bags will be available at the Department of Public Works during this time. 20 bags will be available to each household. Please see coupon for more information.

</tr>
</tbody>
</table>

No pickup on November 12th, 22nd, and 23rd.

As required by Stormwater Tier A Regulations, sweeping, raking, blowing, or otherwise placing leaves that are not containerized at the curb or along the street is only allowed during seven (7) days prior to your scheduled collection and only during the course of the Curbside Leaf program.

The same regulations require that leaves shall not be placed closer than 10 feet to any storm drain inlet.

“Cut It and Leave It” Program

South River is a partner in the County “Cut It and Leave It” program and encourages residents to participate. This program supports fertilization of lawns by leaving grass clippings on the lawn. It also reduces the proliferation of weeds and saves taxpayer money. For more about this program: mciauth.com/grasscycling.htm or (800) 488-MCIA
2018 Household Hazardous Wast Drop-off Days

Throughout the year, Middlesex County holds Household Hazardous Waste Collection days. You must be a County resident to participate.

This year’s schedule

- Sunday, March 18th: Middlesex County College, Edison
- Saturday, May 19th: Middlesex County Highways Division
- Friday, July 20th: East Brunswick Vo-Tech
- Saturday, September 15th: Woodbridge Public Works
- Sunday, October 21st: Old Bridge Public Works
- Sunday, November 18th: Middlesex County College, Edison

What to Bring

- Adhesives
- Aerosol cans
- Anti-freeze
- Brake Fluid
- Car Batteries
- Cleaners
- Drain Cleaners
- Fluorescent Bulbs
- Fire Extinguishers
- Gasoline
- Gas/oil mix
- Kerosene
- Lighter fluid
- Mercury
- Motor oil/filters
- Paint (latex/oil)
- Paint thinner
- Pesticides/herbicides
- Photographic chemicals
- Pool chemicals
- Propane tanks
- Stains/varnishes
- Thermometers
- Thermostats

What not to bring

- Explosives
- Munitions
- Infectious/medical waste
- Smoke Detectors
- Tires

The County of Middlesex offers a wide variety of programs and services related to waste, garbage, and recycling. Below are a few of the programs available. For more info, visit the Middlesex County Solid Waste Management website.

Paint Drop-off Program

The County accepts latex and oil based paints, stains, varnishes, lacquers, thinners, spray paint, and driveway sealer. Items must be labeled. County residents only.

Saturday, 8 AM - Noon.

  - Middlesex Borough Recycling Center
    - 1200 Mountain Ave.
  - East Brunswick Recycling Center
    - 357 Dunhams Corner Road

- Second Saturday:
  - Dunellen Public Works
    - 25 Hall Street
  - New Brunswick Public Works
    - 400 Jersey Avenue

- Third Saturday:
  - Old Bridge Public Works
    - 1 Old Bridge Plaza

- Fourth Saturday:
  - Woodbridge Public Works
    - 225 Smith Street, Keasbey
  - South Brunswick Recycling Center
    - 540 Ridge Road

Paper Shredding

Saturday, March 24
- Middlesex Borough Recycling Center
- East Brunswick Recycling Center
- Middlesex County Highways Division
- Middlesex County College, Edison

- Middlesex Borough Recycling Center
  - 1200 Mountain Ave.
- East Brunswick Recycling Center
  - 357 Dunhams Corner Road

- Third Saturday:
  - South Plainfield Recycling Center
    - Kenneth Avenue
    - Helmetta
    - 60 Main Street (behind Borough Hall)
  - Monroe Department of Public Works
    - 76 Spotswood-Gravel Hill Road

- Fourth Saturday:
  - Woodbridge Public Works
    - 225 Smith Street, Keasbey
  - South Brunswick Recycling Center
    - 540 Ridge Road

- Middlesex Borough Recycling Center
  - 1200 Mountain Ave.
- East Brunswick Recycling Center
  - 357 Dunhams Corner Road

- Third Saturday:
  - South Plainfield Recycling Center
    - Kenneth Avenue
    - Helmetta
    - 60 Main Street (behind Borough Hall)
  - Monroe Department of Public Works
    - 76 Spotswood-Gravel Hill Road

- Fourth Saturday:
  - Woodbridge Public Works
    - 225 Smith Street, Keasbey
  - South Brunswick Recycling Center
    - 540 Ridge Road

Limit of 5 file boxes or 100 pounds per car. Paper must be in a manageable container - no Plastic Bags Please. Residential Only.
**OTHER TIPS**

---

**Don’t Flush Certain Objects**

Disposing of trash down drains and toilets can lead to sewer overflows and backups that can cause harm to human health and our local environment. Just because the package says “flushable” does not mean that it should be flushed. Many items marketed as disposable or flushable do not degrade like toilet tissue and often times clog pipes, tangle pumps, and cause messy sewer backups into homes, businesses, and streets.

The sewer system is designed to dispose of very specific items. Using your toilet for disposal of many modern products will often result in blockages. The drains that connect your home to the sewer main are only big enough to carry water, toilet paper, and human waste. These drains are often no wider than 4 inches in diameter.

**Avoid Drain Problems. Don’t Flush These Items**

</tr>
</tbody>
</table>

**Avoid Frozen Water Pipes**

Remember the three central causes of frozen pipes:

- Quick Drops in Temperature
- Poor insulation
- Setting Thermostats too low

Protect your home by preparing and protecting your home during the warmer months.

Insulate pipes in your home’s crawl spaces and attic, even if you live in a climate where freezing is uncommon. Exposed pipes are more susceptible to freezing. Remember: the more insulation you use, the better protected your pipes will be.

Heat tape or thermostatically controlled heat cables can be used to wrap pipes. Be sure to use products approved by an independent testing organization and only for the use intended. Closely follow all manufacturer's installation and operation instructions.

Seal leaks that allow cold air inside near where pipes are located. Look for air leaks around electrical wiring, dryer vents, and pipes and use caulk or insulation to keep cold out. The tiniest opening in extreme cold can cause a pipe to freeze.

Before winter arrives, disconnect garden hoses, and if possible, use an indoor valve to shut off and drain water from pipes leading to outside faucets. This prevents freezing the pipe just as it enters the house.

**Safe Syringe Disposal**

Improper disposal of needles and syringes can pose significant risk. Never dispose of syringes in ways you would typically dispose of trash. Collect syringes in an FDA approved sharps container or into a heavy duty plastic container such as a laundry detergent or bleach bottle. Close the screw-on lid and label the sealed container “Do Not Recycle - Contains Sharps.” You should then consult the New Jersey Safe Syringe Disposal Guide from the NJ Department of Public Health. This guide can be found at www.nj.gov/health/phss/ or by dialing (609) 826-4941.

**Information on Borough Website**

All of the information found in this calendar is being replicated and will be placed on the Borough website throughout the year. Visit us at: [southrivernj.org/](http://southrivernj.org/)
RECREATION DEPARTMENT

Services for Our Youth

The South River Recreation Department offers year round sports and activities to children ages 5 - 16. We also offer fitness classes to all residents and non-resident adults.

Sports programs include:

- basketball
- baseball
- softball
- soccer
- street hockey
- wrestling
- t-ball
- bowling.

In the summer, children who have complete 1st grade through 8th grade are invited to our summer recreation program.

Seasonal employment opportunities are available to South River High School students. Applications can be picked up at the recreation office. Students must maintain good academic standing to be considered.

For more information, contact:

South River Recreation
Human Services Building
55 Reid Street
(732) 254-4412

Submit Registrations Online

This January, we unveiled the first step in online registrations and applications in the Borough. You can sign up and pay for recreation programs online through our FILE·it system.

Find out more information at: southrivernj.org/fileit

Summer Recreation

We’re making efforts to continually expand and improve our youth services and now offer a full day Summer Recreation program in addition to the free half-day program.

JULY 9 - AUGUST 10

Free Half Day - 9 AM - Noon

Extended Day - 7:30 AM - 6:30 PM
Partnering with Raritan Valley YMCA
Trips, Transportation,
Full day of fun. $215/week

WAY MORE INFO: SOUTHRIVERNJ.ORG/SUMMERREC/
Services for Our Seniors

The Office on Aging offers members a broad range of services including:

- Transportation to shopping centers, grocery stores, farmers’ markets, specialty shops, and discount outlets.
- Local day trips, excursions, and getaways.
- Health and wellness screenings.
- Educational presentations, and seminars.
- Residential maintenance programs.
- Fitness classes and a fully-equipped fitness room.
- Special events, parties, and entertainment.
- Comprehensive monthly newsletter.
- Extensive resource library.
- Links to community resources.
- Information and referrals for Federal, state, and county assistance programs.
- Assistance with senior benefits and entitlements including
  - Pharmaceutical Assistance to the Aged and Disabled (PAAD)
  - Lifeline Utility Programs
  - Specified Low Income Medicare Benefit (SLMB)
  - Low Income Home Energy Assistance Program (LIHEAP)
  - Senior Farmer’s Market Nutrition Program
  - Property Tax Reimbursement/Senior Freeze (PTR1/PTR2)
  - Homestead Benefit Program
  - State Health Insurance Program Medicare Counseling (SHIP)
- AARP Income Tax Preparation Program
- AARP Smart Driver Course

Membership

Office on Aging membership is available to South River Residents age 60+ and includes on- and off-site programs, services, and transportation.

Residents age 55+ are eligible for limited membership, which includes on-site programs and services.

Please bring proof of your age and residency to the Office.

Hours of Operation

Monday - Friday
9:45 AM - 3:00 PM
BOROUGH COMMISSIONS

Volunteers Driving South River Forward

In addition to the many departments in the Borough, there are also a long list of other committees and commissions comprised of volunteers that are making our community a better place to live. Community participation and ideas are always welcome.

Follow “South River Boro” on Facebook to keep informed of when these various commissions meet. New ideas and constructive feedback are always welcome! You can also find out contact details and more information on our Borough website.

- Mayor’s Advisory Committee on Persons with Disabilities
- Board of Health
- Cultural Arts & Heritage Commission
- Communications Committee (ad hoc)
- Mayor’s Council on Aging
- Economic Development
- Environmental Commission/Shade Tree Advisory Board
- Green Team
- Human Relations Commission
- Library Board
- Municipal Alliance
- Parks & Recreation Advisory Board
- Safe Streets Task Force
- TV35 Steering Committee
- Planning Board
- Zoning Board

Sharing Your Organization’s Events

South River is also home to a variety of community organizations working to provide civic engagement, camaraderie, community, and service to the residents of the Borough.

In late 2016, the Borough introduced a Communications Policy in an effort to provide a uniform and consistent system for allowing all organizations to share community events.

We want to make it easy for community organizations to share events in the Monthly Buzz, on TV35, and eventually on the Borough Calendar and other spaces.

Learn how and download templates at: SOUTHRIVERNJ.ORG/COMMUNICATIONS/POLICY
When you’re seeking a permit, making a request for an inspection, or are being issued a citation, these are the standards that the Borough expects. If you experience issues please let us know by calling our **CALL** hotline (732) 570-4548 or our Borough Administrator (732) 257-1999 x120.

**PERMITS**

Obtaining a permit and CO for your property is necessary to improve them. We want the process to be efficient and doesn’t unnecessarily delay a project.

**MINIMAL VISITS**
Residents should be able to obtain permits whenever possible without multiple visits. We are working to eliminate as many repeat visits as possible.

**CONCISE PERMIT PACKET**
We’re working to make the permit information you receive more clear and concise to ensure that you are fully informed of the process and requirements.

**COST CLARITY**
The total cost for permits shouldn’t be a mystery for residents. We are working to provide this information in a format that is easy to understand.

**ISSUANCE PRIORITY**
The building department’s top priority is to ensure that permit and COs are issued in a reasonable time period, focusing on these matters first.

**CITATIONS**

Code enforcement plays an important role in ensuring that properties do not become problems in the neighborhood. There’s a balance to be struck in how to administer the code.

**OPPORTUNITY TO CURE**
Code enforcement’s purpose is to ensure a proper functioning borough and to be respectful to all residents. Fairness includes non-legal remedies that may resolve the issue faster and less expensively.

**REFERENCE TO THE CODE**
Recipients should be made fully aware of any issue they are being confronted with and a valid legal citation should accompany the matter.

**FEEDBACK HOTLINE**
The borough has begun a hotline, **CALL** to offer residents an opportunity to provide feedback on their experience. If you have problems, call (732) 570-4548!

**INSPECTIONS**

Home inspections are important to ensure safe and habitable places to live. They should be efficient, fair, and any issues should be clearly documented.

**TIMELY**
Inspections should be scheduled within a reasonable time after application. Eliminating the requirement for CCOs like many other towns have done should ensure that inspections can be scheduled more quickly.

**POLITE & EFFICIENT**
South River is a friendly town and the inspection process should be that way as well. Our staff is expected to treat all residents with respect.

**ISSUANCE PRIORITY**
The building department’s top priority is to ensure that permit and COs are issued in a reasonable time period, focusing on these matters first so that folks can utilize their property sooner.
Establishing Electric & Water Service

The Borough of South River owns and manages the water and electric utility in the borough. To request water and electric utility services, you must go to the Borough Utility Office at the Municipal Building located at 48 Washington Street.

Required information:

- Name
- Service Address
- If a homeowner: Deed or HUD Settlement Statement.
- If a tenant: Tenants of a rental property must bring a copy of the current lease. The lease must specify the exact rental location (floor #, apartment #) and what utilities the tenant is responsible for.

Costs Associated with Utility Connections

- All customers:
  - $25 Activation Charge for each account created.
  - $25 Deactivation Charge for each account closed.

- Additional For Tenants
  - $200 Deposit applied to your open balance when the account is closed. If deposit is greater than the utilities due, the balance will be refunded. Activation Charge for each account created.

- Commercial
  - $500 Deposit applied to your open balance when the account is closed. If deposit is greater than the utilities due, the balance will be refunded. Activation Charge for each account created.

Payment is accepted by cash, check, or money order.

Natural Gas

Natural gas services are provided by PSE&G and are completely unaffiliated with the Borough of South River. However, the State has developed protections for residents of New Jersey.

Television & Internet

Presently, the only cable option available to residents is Comcast Xfinity, due to the lack of competitors interested in entering into the South River market, despite our efforts. In addition, Verizon Fios has not laid the necessary fiber optic infrastructure to provide Fios service to residents. Satellite dish service is available from a number of providers included Dish and DirecTV. All of these providers are completely unaffiliated with the Borough of South River.

South River operates its own television station, South River TV35, which can be found at channel 35 on Comcast. Recently, we’ve made investments to expand our broadcasting offerings and welcome anyone who would like to get involved to join our crew.

More information can be found soon at: southrivernj.org/tv35 or call (732) 257-4119.
**Pet Licensing**

In order to ensure proper safety and comply with health requirements, dogs and cats within the borough are required to be licensed. Information regarding licensing can be obtained online or at 48 Washington Street. You can now apply for and pay for a license online via FILE-It.

**southrivernj.org/file-it**

License renewals must be completed in January or are subject to a late fee. New residents are required to obtain a license within a month of becoming a resident.

Dogs: $11 (non-neutered/non-spayed: $14)  
Cats: $5 (non-neutered/non-spayed: $10)

Late fees are imposed after January 31st. Rabies shots must be good through at least October 31st of the filing year. More info? Call Debbie, (732) 257-1999 x 114.

**Rental Electric Options**

In an attempt to address concerns expressed to us, we now offer landlord and tenants numerous options when it comes to considering their electric bill and payments. We are currently working to develop other ways to further accommodate our customers and hope to share more in the future.

- **Choice 1:** Place account in the Tenant’s Name  
  - Tenant receives bill  
  - Tenant is responsible for bill  
  - Free

- **Choice 2:** Place account in the Owner’s Name  
  - Owner receives bill  
  - Owner is responsible for bill  
  - Free

- **Choice 3:** Duplicate billing, place account in the Tenant’s name, with a copy of the bill sent to the Owner  
  - Tenant receives bill  
  - Owner receives copy of the bill  
  - Tenant is still responsible for bill  
  - $25/year

**Curb & Sidewalk Program**

The Borough of South River prides itself on being a safe, walking community and believe that safe sidewalks are something to promote and encourage. We offer a program that offers residents the opportunity to install curbs and sidewalks interest free, overseen by the Borough Engineer, and with a three-year payment plan.

Find out more and how to apply at: southrivernj.org/curbsidewalk/

**“Plant One On Us” Program**

Year’s of no shade tree plan has led to significant thinning of our urban forest. In partnership with the Environmental/Shade Tree Commission, we offer a program to encourage planting of shade trees in the sidewalk verge to restore the Borough’s urban forest. Applications are available year round for our Spring and Fall plantings.

Find out more and how to apply at: southrivernj.org/trees/

**South River Food Bank**

The South River Food Bank is an independent department in the Borough through coordination of the Board of Health. We are solely funded by generous donations of our community and always welcome appropriate donations.

Donations can be made by drop off during Food bank hours or by special arrangement.

southrivernj.org/food-bank/  (732) 238-3020
Christmas trees are picked up on Mondays, except on holidays. Place your tree at the curb on Sunday evening for Monday collection.

- Saturday, January 19: South Recycling
- Monday, January 21: North Recycling
- Friday, January 25: South Recycling
- Saturday, January 26: No Garbage Collected

Note: The calendar shows the days of the week and dates for January 2019.
General Info for Residents

Sustainable Jersey

Created in 2017, the South River Green Team has been tasked with implementing programs that fulfill the mission of Sustainable Jersey, a nonprofit dedicated to creating more sustainable, less expensive, and even higher quality municipalities across the state.

The ultimate goal is to obtain Sustainable Jersey certification which will have the effect of improving the quality of life in South River, address environmental concerns, find taxpayer savings, and qualify for grants.

The South River Green Team is currently exploring a variety of options that will drive our community forward including implementing a Safe Routes to School program, explaining how we should go about an energy audit to invest in more efficient light, heating, and cooling options, building out a plan for a community garden, discussing ways to invest in less expensive alternative energy production, and many, many other ideas.

Do you want to drive South River forward? Do you wish to get involved in these ideas or tackle a new one? Join us.

The Green Team meets the last Wednesday of every month, 7:30 PM, at 48 Washington Street.

2018 Leaf Bag Distribution

Beginning October 15

Each household is entitled to 20 free leaf bags per year. You can pick these bags up at 9 Ivan Way. Hours of pickup: Monday - Friday 8AM - Noon.

The Borough of South River requires leaves, grass clippings, and yard trimmings to be placed in either a normal, reusable, open trash receptacle or in biodegradable bags. This move keeps thousands of tons of vegetation out of landfills.

When disposing of leaves, no grass, brush, or other debris should be mixed in the bags.

Questions? Call (732) 257-9051

Leaf Bag Coupon

Present this coupon to receive 20 free biodegradable bags. You may also present a current driver’s license with matching South River residential address or current deed, tax bill, or utility bill for South River residential address.
