Chief Tinitigan,

Please allow this letter to serve as a formal request to amend current borough local ordinance 193-30 *(Schedule I No Parking)*, specifically section 193-31 Schedule II: *No Parking Certain Hours.* David Street, on the east side of the roadway, from Johnson Place to Arlington Avenue, the ordinance currently states parking is prohibited on school days between 8:00 AM to 9:00 AM and 3:00 PM to 4:00 PM. This request is to amend the times and ordinance to read as follows:

Name of Street	Side	Hours	Location
David Street	*East*	*School days 7:30 AM to 9:00 AM 2:30 PM – 4:00 PM*	*From the Southernmost curb line of Johnson Place, to the Northernmost curb line of Arlington Avenue.*

This time change was prompted due to the fact that the South River Board of Education relocated the preschool from the SR Elementary School to the SR Primary School. In return this change modified the beginning and end times within the school causing traffic issues and earlier times in the morning and afternoons.

If you have any questions or concerns regarding the time change, please don't hesitate to let me know.

Respectfully,

Sgt. Edwin J. Yorek

Our File No.: PSR00224.01

Dear Mr. Londensky:

As we discussed, the Borough is experiencing excessive ground water coming to the surface at the westerly side of Fitzpatrick field. We have reviewed the matter and recommend the Borough perform a soil/ground water investigation to try to determine how it could be addressed. Our environmental office checked some mapping and confirmed this area of the borough is underlain by the Woodridge Clay, so the ground water may be perched. Our services would include one-day of soil boring with a Geoprobe, temporary wells installed to evaluate ground water levels, three (3) soil grain size analyses, field oversight and logging services and a memo report. We can provide these services for a cost of $8,200 assuming the Borough can provide the necessary utility mark-out. If not, a private utility mark-out would be approximately $1,400 additional.

Should you have any questions regarding this matter, please do not hesitate to contact this office.

Very truly yours,

Bruce M. Koch

Our File No.: PSR00225.01

Dear Mr. Londensky:

It is our understanding the Borough is considering improving or upgrading the Veterans Drive Soccer Field to an Artificial Turf Field. We recommend the first step be conducting a soil/groundwater investigation. Our services would include one-day of soil boring with a Geoprobe, temporary wells installed to evaluate ground water levels, three (3) soil grain size analyses, field oversight and logging services and a memo report. We can provide these services for a cost of $8,200 assuming the Borough can provide the necessary utility mark-out. If not, a private utility mark-out would be approximately $1,400 additional.

RESOLUTION 2023-97

RESOLUTION IN SUPPORT OF LIQUOR LICENSE REFORM IN THE STATE OF NEW JERSEY

WHEREAS, the State of New Jersey's liquor license laws date back to the 1950s and 1960s; and

WHEREAS, under current law, a municipality may issue plenary retail consumption licenses until the combined total number in the municipality is fewer than one license for each 3,000 municipal residents and this restriction creates a shortage of these licenses in some municipalities; and

WHEREAS, the State of New Jersey's liquor license laws has caused an extreme supply imbalance that the statewide average cost of an individual liquor license is $300,000, an exorbitant amount causing an inequitable landscape among current and potential restaurateurs; and

WHEREAS, the restaurant liquor license standards of other states in the Northeast region enable restaurateurs to join the market at a significantly lower price point than the State of New Jersey, thus giving them a competitive advantage; and

WHEREAS, in today's market, small business and downtown economic development thrive best where there is a healthy full-service restaurant market; and

WHEREAS, there is clear need to for reform as demonstrated by the numerous bills already introduced in the New Jersey Legislature each session with the intent to expand liquor licensure; and

WHEREAS, Governor Murphy affirmed his commitment to reform in his State of the State address on January 10, 2023 with a draft plan to make it more equitable to obtain a new liquor license while providing compensation to existing active license holders; and

WHEREAS, we recognize the need to compensate existing license holders that paid exorbitant prices for the right to sell liquor in their restaurants; and

WHEREAS, the State of New Jersey should be a leader in reform initiatives that helps its small businesses survive and thrive, provides an equitable business environment, and enables New Jersey to better compete in the regional market; and

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Borough Council of the Borough of South River that it supports meaningful liquor license reform legislation to create a more balanced liquor license market; and

BE IT FURTHER RESOLVED that the Clerk be and hereby is authorized to distribute copies of this Resolution to all appropriate officials and agencies including our Legislative Representatives, the Governor, the Lieutenant Governor, and the New Jersey State League of Municipalities.
