RE: Coin Toss at Old Bridge Turnpike and Prospect Street

Dear Mayor Guindi and Borough Council Members,

I am the vice president of the Head Over Heels Parent Association for the girl's USAG team. We are a nonprofit 501c (3) and can provide that documentation, if needed. Last year, South River was so kind to allow us to have a coin toss and we are hoping you will allow us again this year. We have over 25 competitive gymnasts that spend countless hours in the gym training for their competitions. We have a few gymnasts and a coach on our team who are residents of South River and the other girls are from neighboring towns. These girls give their heart to this sport and travel throughout the country at times for competitions. As the season fastly approaches, we are hoping we can schedule a date to participate in the coin toss at Old Bridge Turnpike and Prospect Street. The money would go into our general fund so that we can better support our gymnasts. We are inquiring if we can have approval to have the coin toss on the weekend of October 19 and 20 with a rain date of October 26 and 27 from the hours of 9am-2pm. There will be no gymnasts present, as it will just be parents with reflective vests on. If you have any questions or concerns please feel free to contact me. I look forward to hearing back from you.

Sarah Badillo

RESOLUTION AUTHORIZING THE EXECUTION OF A MEMORANDUM OF UNDERSTANDING WITH RUTGERS UNIVERSITY BEHAVIORAL HEALTH CARE

WHEREAS, pursuant to NJSA 30:4-27.1, et seq. and NJAC 10:31-1.1, et seq., it is the policy of this State to provide for a public mental health system that delivers treatment consistent with a person's clinical condition, and that screening services be developed as the public mental health system's entry point in order to provide accessible crisis intervention, evaluation and referral services to persons with mental illness, to offer persons with mental illness clinically appropriate alternatives to inpatient care, and, when necessary, to provide a means for involuntary commitment to treatment; and

WHEREAS, the Borough recognizes the importance of ensuring the safety of every person involved in civilian-law enforcement interactions, and that many of the negative outcomes that have resulted from such interactions may stem from law enforcement officers responding to situations involving individuals experiencing behavioral health crises; and

WHEREAS, the Rutgers University Behavioral Health Care (RUBHC) has been designated by the New Jersey Department of Human Services ("DHS") to provide screening and other medical/health services in accordance with state law and regulations, within Middlesex County; and

WHEREAS, DHS contracts annually with RUBHC for the provision of screening services and other services, pursuant to NJAC 10:31:10.1(c), or the Community Mental Health Services Act of 1957, as amended and DHS Contracting Policy; and

WHEREAS, the New Jersey Department of Law and Public Safety and the DHS have executed a separate agreement which will provide for funding for this Pilot Program upon presentation of invoices in conformance with this Agreement by the RUBHC to DHS; and

WHEREAS, the Screening Law provides officers and mental health specialists with the legal authority to transport or authorize transport of individuals who are experiencing a behavioral health crisis to an emergency department for a full assessment where appropriate; and

WHEREAS, Borough law enforcement officers may request the assistance of mental health specialists when responding to emergency service calls that relate to behavioral health crises and mental health personnel may request assistance from officers when responding to requests for emergency screening; and

WHEREAS, in an effort to improve the outcomes in the Borough's law enforcement's response to emergency behavioral health crisis calls, to divert individuals in crisis from unnecessary entry into the criminal justice system, and to more efficiently employ the resources of both the PPD and the RUBHC as they respond to calls for service, the Parties seek to establish a Pilot Program; and

WHEREAS, the parties seek to memorialize the relationship and delineate the responsibilities of the Borough Police Department and RUBHC; and

WHEREAS, the governing body desires to authorize the Memorandum of Understanding with RUBHC to implement the Pilot Program.
