

## Notice to residents of the Borough of South River

### Milling, Paving and Removal of the old Trolley Ties and Ballast on Main Street between Milltown Road and Ferry Street

Date: October 23, 2025

Please be advised that Black Rock Enterprises, LLC was contracted by Middlesex County, for the project "Milling, Paving and Removal of the Old Trolley Ties and Ballast on Main Street between Milltown Road and Ferry Street project". The following improvements on your street may include:

- Removal of Old Trolley Ties and Ballast
- Sidewalk & ADA ramp construction
- Milling and Paving

**This work is scheduled to start on or about Tuesday, October 28<sup>th</sup>, 2025 (weather permitting) and expected to take approximately up to 10 months to complete.**

#### Important:

- **Parking will NOT be permitted on street between 7:00 AM and 5:00 PM** where "**No Parking**" signs will be posted. However, **overnight parking will be allowed**. If applicable, driveway accessibility may be interrupted please plan accordingly and find alternate parking.
- At certain times and locations, the **road will be closed** to traffic and a detour will be posted.
- During concrete installation (sidewalk, curb), sidewalks will be temporarily closed and pedestrians will need to navigate around these areas until areas are reopened. If applicable once new concrete driveway aprons are poured, you will **not be able to drive over them for approximately three (3) days** to allow proper curing.
- If you have sprinkler heads near the curb, please **clearly mark them prior to the start of construction**. The Contractor nor the County/Township will not be responsible for damaged sprinkler systems that were not marked.

This letter serves as notice and to make you aware of these construction undertakings, and the progression of the project. We emphasize caution, safety, and please be mindful of the surrounding construction equipment and the irregular and unusual site conditions.

Additionally, please do not ask the employees on site any questions, as they may not know all the project details.

Please pardon the interruption and we would like to thank you in advance for your patience and cooperation. If you should have any questions pertaining to this project, please contact:

Joseph Muzyka, IH Engineers PC – (848) 383-8637

Thank you for your cooperation,  
Black Rock Enterprises, LLC
