Notice from the Mayor's Office Main Street Roadwork

Dear Residents and Motorists,

As your Mayor, I want to personally inform you that construction work will begin on Main Street starting on October 28th, 2025. This necessary project is part of our ongoing efforts to improve road safety and infrastructure in our community.

While we understand that construction can cause temporary inconvenience, I ask for your patience and understanding during this time. Please drive carefully through the area, follow all posted signs and detours, and allow extra time for your travels.

We are committed to completing this project as efficiently and safely as possible, and I'll be sure to keep you updated every step of the way. I encourage you to follow the South River Police Department on social media and sign up for NIXLE text and email alerts as they will also be posting updates.

Thank you for your continued support and cooperation as we build a better future for our town.

Warm regards,

Peter S. Guindi

Mayor, Borough of South River
